

Amboseli Serena Lodge; Amboseli Serena Safari Lodge is a quality lodge in Amboseli National Park, a Park known for its views of Kilimanjaro, Africa's highest mountain. The lodge's design itself draws on Masai cultural motifs, featuring natural woodcarvings, traditional artefacts and a selection of colorful local art.

Constructed from ecologically friendly materials, its design reflects the true essence of the African bush. This helps it blend into the landscape and work in harmony with the natural environment. The rooms each allow for clear views of the park and are comfortable with en suite bathrooms and other facilities to give guests a deluxe hotel experience.

Amboseli Serena Safari Lodge has a swimming pool, one main restaurant and a well stocked bar. There are also plenty of activities on offer at the lodge ranging from game drives and nature walks to bush dinners and board games, ensuring guests will never have a dull moment.

Some of the services provided are bush dinners, sundowners at observation hill, private picnics, lunch boxes and specialist cultural entertainments, express check-in/out, full housekeeping services (laundry, valet, babysitting on request, children's menus/dining shoeshine) and hairdryer available on request from the Reception Desk.

Amboseli Serena Safari Lodge has a full medical back-up and emergency evacuation facility, Africana gift shop, beauty treatments, massage and hairdressing, swimming pool, nature walks, jogging trails, bird watching and game drives, forex facilities, a wide range of board games plus a full library of books on Africa.
