

Pehoni House is an eclectic mix of architectural references.

- With two downstairs bedrooms and two upstairs bedrooms this house sleeps 9.
- The huge ground floor dining room seats 18 and the first floor living room has the some of best views on the Kenya Coast.
- There is a sunset viewing terrace on the second floor with two Swahili sunloungers. The house is furnished comfortably and simply in an uncluttered style with beautiful Swahili, Indian and Colonial wooden furniture. All rooms have ceiling fans. All pillows and 100% cotton bed linen/towels are provided.
- Large double bedroom with mosquito net tented bed, ensuite shower, double basins and loo, spectacular ocean view from a balcony with built in sofas.
- Twin bedroom with mosquito net (there is also a spare single bed so this could be used as a triple for children), ensuite shower, double basins and loo. There is also a balcony off this bedroom.
- Large double room with mosquito net hangings, ensuite shower, double basin and loo, private breakfast terrace.
- Twin room ideal for children or teenagers with two Swahili beds with cone mossie nets, ensuite shower, basin and loo.
- The dining room is a large-scale room, tall ceilings with 6 Moroccan style doors to the outside. It is light and airy, a large dhow wood table seats 18. There is a small built-in sitting area for cards or drinks.
- The first floor living room is a fabulous space overlooking the mouth of the Creek has gorgeous ocean views. Two huge, heavily cushioned dhow wood sofas and some colonial chairs provide comfortable seating and repose. There is further seating on Turkish floor cushions, great for teenagers and to play cards, backgammon and chess, as well as a drinks cupboard and drinks fridge. This is an ideal entertaining space.
- A spiral staircase leads up to the spectacular roof terrace.
- WiMAX WIFI serves both houses. Free unlimited Internet access
- Standby automatic generator www.crocodileracers.com
