

Clamkara House is set within four acres of lush tropical gardens, in a quiet and exclusive part of Vipingo. We offer the main house and the beach house that can be let separately or together, staffed and very private. The position of both houses provides unrestricted views of the Indian Ocean, across the white sands and the coral reef.

There are 2 houses at **Clamkara** that can be let separately

Clamkara 1 – a simple, small but popular old settler's cottage, five metres from a white sandy beach

- Sleeps 6 + 1 cot
- 1 twin en suite, 2 twin sharing a bathroom, all with fans
- Living-cum-dining room and verandah overlooking the ocean
- Shaded areas, right on the beach, for relaxing and al fresco dining under an Indian
