

**Sirikoi Tented Camp** is Owned and Operated by Willie and Sue Roberts. Sirikoi is a spectacular lodge offering the ultimate in luxury and comfort alongside unrivalled wildlife viewing. Sirikoi is a spectacular game lodge situated on its own private estate in the centre of the Lewa Wildlife Conservancy on the northern slopes of Mount Kenya.

Surrounded by an acacia grove and overlooking a natural waterhole fed from a mountain spring Sirikoi offers some of the best game viewing in East Africa. Evening sundowners with incredible views of distant mountain ranges; delicious meals served under the stars next to a roaring fire and the sounds of animals in camp late at night are just a small part of this magical experience.

A wide range of activities are offered at **Sirikoi Tented Camp** such as helicopter trips, lion tracking, horseback riding, and visits to a local Masai homestead. Offering unparalleled hospitality in breathtaking surroundings, Sirikoi is one of the outstanding lodges in Kenya where guests will be part of a unique African adventure.

**Sirikoi Tented Camp** caters for High-end discerning travelers who appreciate an exclusive view of Africa within intimate and sophisticated surroundings. Ideal for families, groups of friends, honeymooners & those seeking an exceptional experience.

**Sirikoi Tented Camp** was formerly known as Willie's Camp, this is arguably one of the finest camps in Kenya. It has been designed and built with the detail and attention that has come from years of experience of running tailor-made safaris in East Africa.

The style of the camp is in keeping with the unrivalled hospitality of Sirikoi. Lewa Wildlife Conservancy has had a pioneering role in conservation; the incredible array of game is testament to this. The beautiful landscape varies from rolling hills to the thick Ngere Ndare forest.

As well as walking and game drives there are horses for the more adventurous. Sirikoi has its own extensive vegetable garden supplying the camp's kitchen, which produces excellent food.
