

Tamarind Garden is a budget garden hotel opened in 2009 near Lake Baringo. It offers a spectacular service to the clients. The garden hotel is located in a strategic position to serve clients who may be traveling to visit the nearby lakes including Bogoria, Baringo, Nakuru and other exciting place like the Eldama Ravine villages, Kerio Valley among others.

Accommodation & Room Types

Accommodation includes 12 en-suite rooms with 8 singles and four doubles. The thatched roof also offers a good complement to the hot surrounding area of Baringo. The rooms don't have heated showers but have mosquito nets, chairs and cupboard. The rooms are named after eminent birds that are found in the area. www.crocodileracers.com

Dining and staff

Tamarind Garden offers a seating area and a bar. Full meals are available 'a la carte' in the cool and shady bar and it serves both local and international cuisine.
