

Lake Bogoria Spa Resort is located in Lake Bogoria National Reserve in the northern sector of the Great Rift Valley. Set against the backdrop of the eastern wall of the rift and the Tugen Hills to the rift is surrounded by stunning scenery and offers excellent bird-watching.

Clustered around a central building, the hotel has recently been expanded and offers a series of cottages above the pool and conference centre.

Though not a spa in the technical sense of the word, the resort is a spa in the true sense of the word in so much as its pool and water gardens are naturally heated by the boiling springs and geysers of the national park.

Lake Bogoria Spa Resort is the only Resort in Kenya with a naturally heated Spa pool. The resort is known as 'the healing place' because of the therapeutic values associated with the spa and the hot spring geysers. Nothing in the world beats relaxation and unwinding in the spa pool. This coupled with the singing birds makes a true paradise.

Lake Bogoria Spa Resort is a paradise for bird watchers -the marabou storks and other resident birds provide a lively welcome for you!
