

**Bilashaka Lodge Naivasha** contains 5 double rooms, each with their own bathroom with a bath and shower. Each room is decorated in a unique style and has a private verandah overlooking the grasslands and acacia trees. During the day guests can enjoy the peaceful environment, watch the birds or take a dive in the swimming pool.

**Bilashaka Lodge** is ideal for groups of up to 10 people. Groups can also stay at the lodge on self catering base.

The lodge is located at the ground of Bilashaka Flowers. A rose farm owned by a Dutch family. A tour around the farm gives you an excellent view on how roses are grown here. Roses which you can find around the whole world.

### **Malindi Room**

This room breaths the coastal atmosphere.

### **Maasai Room**

Feel like a real warrior in this room with two single beds.

### **Safari Room**

The centerpiece of this room is the beautiful wall painting of a leopard.

### **Bollywood Room**

If you like bollywood movies, then this room is yours!

### **Moroccan Room**

Imagine a warm night in Morocco, but then in Kenya.

Since the environment of the lodge is known for its birdlife, you could easily spend a day watching the birds as they fly around. Or you could have an early bird walk under the guidance of a professional birdwatcher. Other wildlife which can be spotted include Thompson gazelle, impala, zebra, vervet monkeys and olive baboons. During the night hippo's and buffaloes come out of the papyrus to graze around the lodge.[www.crocodileracers.com](http://www.crocodileracers.com)

The lodge is located on the premises of a rose farm. In a 1—2 hour guided walk around the farm you get to know everything about roses. From how they are grown to how they get shipped everyday.

On our small hill we have an excellent spot for sundowners. From this spot you can see the entire lake and off course Mount Longonot.

Our swimming pool brings you a bit of coolness on warm days. In the future we plan to have a boat at the lakeside, so you can enjoy the view from the lake.

Other activities in the region include a visit to Crater Lake, Hell's Gate, Elsamere or play a game of golf at the nearby located golf course .

During your stay at the lodge, we can give you more information about these and other activities.
