

**Triple Eden** on the rocks Resort is a Naivasha hotel, opened in 2009 and built on and within the volcanic stone rocks of Rift Valley, 6 km from Naivasha town. The main building, constructed in the shape of halve a circle, has 3 (triple) levels.

### **Accommodation & Room Types**

This Naivasha Vacation Rental Rooms are situated on the second and the third level. The visitor can enjoy the unique view of Mount Longonot and lake Naivasha at the same time, from each of the rooms.

Free style bungalows, with a comfortable bathroom and their own balcony are available for guests who appreciate a maximum on privacy. There is a characteristic 5 by 6 rocky bed, covered with mosquito net [www.crocodileracers.com](http://www.crocodileracers.com)

### **Swimming pool and bar**

The weather in this part of Rift Valley is almost the whole year very pleasant. That makes a swimming pool attractive. Children enjoy the one foot deep pool next to their guardians. Swimming gear can be obtained from the hotel (curio) shop if necessary.

Nights have their own special atmosphere at Triple Eden on the rocks Resort. The bar offers a view on the lake, mount Longonot and the scenic new highway between (lake) Nakuru, Maasai mara and Nairobi. The music is soft and the bar is open as long as the guests wishes.

### **Environment**

We care for our environment. Our slogan is :? Private, clean and green? We separate the garbage and all the waste is collected for recycling. On the premises are over 500 trees, host to

many birds.
