

Enashipai Resort & Spa is where a strong local heritage and abundant nature is blended with pure luxury, and then delivered with a generous sense of warmth. Honestly, we find it hard to imagine a happier place.

Enashipai - a Masai term meaning a place of happiness

Culturally rich, endowed with nature, historically decadent. Naivasha has many faces and is the source of our inspiration.

And we hope you will agree. Join us, kick back and relax in serene surroundings. www.crocodile-racers.com

Explore ...the full expanse of our calm oasis which includes, at a glance:

Sleep... in an inviting comfortable, spacious, luxurious and cozy room, offering sweeping views of the surrounding hills or a spacious cottage surrounded by lush tropical gardens. The casual elegance of the rooms invites you to kick off your shoes; lay back and feel the hustle of daily life slowly ebb away.

All Executive accommodations pamper you with upscale comforts and conveniences such as Internet, coffee bar and flat screen televisions with premium movie channels. Our rooms assure you a stylish yet relaxed stay to make even the most stressful feel immediately at ease.

Kids Club

Family travel has never been more fun. Kids of all ages will love Enashipai! We keep little ones entertained with the indoor play center/game room, an exciting line-up of fully supervised activities and a "cool" place to enjoy days of fun under the sun.

Fitness Center

Ready to work up an appetite? Our fitness center is equipped with modern strength building and cardio equipment plus an instructor to help you out when you need some motivation.

Pool Deck

If your idea of a perfect break is lounging away your time, then the pool is perfect to laze the day away. There is an outdoor pool with a babypool for the little ones to enjoy a dip too. Slip under an umbrella and sip away on a refreshing 'cocktail' as the day slowly slips by.

Excursions

Mountain Climbing, Hiking, Rock Climbing, Biking, or even Bird Watching, Naivasha is home to some of the Country's key attractions e.g. Hells Gate and Mt. Longonot.

Bird watchers will have a field day at the Hells Gate Park with over 100 species of birds including vultures, Verreaux's Eagles, Augur Buzzard, and Swifts. This park is also unique in the sense

that it is one of the few parks where you are allowed to walk.

Winne & Dine... while savoring the finest cuisine at Resort's main restaurant i.e. Senteu Restaurant. Our professional chef uses only the freshest seasonal ingredients to create a truly sensational menu

The Ol'Tepesi Bar is unrivalled in Naivasha – classy, fully stocked and to top it all, a barman eager to serve your drinks just the way you like them. From cocktails to shooters or just a simple cold beer, we guarantee that there is no better place to have a drink in town.

Kick back at the Lakeside Bar (set-up occasionally), a perfect setting for sundowners, great conversation and bonfire nights.

Unwind... in an oasis of peace, calm and tranquility. Sheltered within sun-kissed natural gardens, the world class Spa is the ultimate retreat to soothe away the stress and tensions of urban living.

Whether alone or in a group, make a date to sample the invigorating pleasures of the Spa which includes: Separate men's and women's lounges, steam rooms, 6 specially designed private treatment rooms, a rasul and a VIP/Couples special treatment room.
