

Sunbird Lodge is an eco-friendly luxury lodge is located in the Great Rift Valley (by Lake Elementaita) and is less than 127 Kilometers (1 ½ hours) from Nairobi.

The lodge is located a few minutes off the new and superb Nairobi – Nakuru highway on a very good, private access road at the shore of Lake Elementaita, bordering and overlooking Soysambu Conservancy. www.crocodileracers.com

Sunbird Lodge is named after one of the more than 450 species of birds in this area. The setting overlooks the vast plains of Soysambu Conservancy. Beautifully nestled in a pristine environment above Lake Elementaita one can experience the amazing sunsets from the Sunbird lodge.

Being a small and exclusive lodge holding not more than 35 guests at a time, **sunbird Lodge** offers 14 large and luxurious cottages. They are built from natural materials and thatched roofs; each cottage has its own verandah, king size bed, additional single bed, en-suite bathrooms, mosquito nets, safes and telephones.
