

Peppercorn Holiday Resort Naivasha Kenya is located in the Naivasha County within the Great Rift Valley minutes away from the renowned freshwater Lake Naivasha, Hell's Gate National Park, the Aberdares and Mt Longonot among other attractions. The resort is the perfect destination for the serious holiday makers or business executive looking for premium decor and service in an unmatched serene atmosphere.

Rooms Exquisite

The Resort is equipped with luxurious, spacious well equipped cottages with options ranging from King Size , Queen size or twin beds. All rooms are among other things equipped with Modern Flat Screen TV's with DSTV facilities, complimentary tea making facilities and extra beddings.www.crocodileracers.com

Standard Rooms:

Our Standard Rooms are luxurious, spacious and well equipped with options ranging from singles, doubles, triples or twin rooms. All rooms among other things are equipped with Modern Flat Screen TV's with cable facilities, complimentary tea making facilities and extra beddings for those who may find the Naivasha weather cold at night.www.crocodileracers.com

Our standard rooms differ only in the concept, whereby the rooms are of an African theme, having both the floor and wall decorated with "mazeraz"™ an exotic stone found in the coast region of Kenya, with a rough and natural finishing. All the standard rooms have a balcony immediately before entering the rooms, where guests can enjoy some level of relaxation as they read or entertain their guests without having to let them into the privacy of their rooms.

Immediately outside the rooms, is a well-manicured garden, with a beautiful bon fire structure shaped like a hut. This is most enjoyable for guests who come in groups, or who want to socialize with others, exchanging stories and bonding till late hours of the night.

The bon fire provides the necessary warmth required to resist/block the chilly weather of Naivasha.

Executive Rooms:

Our executive rooms are luxurious, and offer the ultimate comfort for the executive or holiday seeker who is looking for a serene environment together with comfort living. All rooms among other things are equipped with Modern Flat Screen TV's with cable facilities, complimentary tea making facilities and extra beddings for those who may find the Naivasha weather cold at night.

The executive room only differs in theme, whereby each room is carpeted and has a circular shape with a spacious bathrooms.

Immediately outside the rooms, is a well-manicured garden, with a beautiful bon fire structure shaped like a hut. This is most enjoyable for guests who come in groups, or who want to socialize with others, exchanging stories and bonding till late hours of the night.

The bon fire provides the necessary warmth required to resist/block the chilly weather of Naivasha.

Cuisines:

" Dining at Peppercorn is a pure delight."

Whether you choose to dine in our state of the art restaurant, or in any of the cubicles within the resort beautifully manicured gardens, or by the bush bar, or in the comfort of your private cottage balcony, you will have the opportunity to choose from the superb variety of cuisines from our kitchen ranging from African , Indian or Italian .

Along with our ala carte menu, we have our peppercorn signature meals such as as our Peppercorn Spicy Pork Chops, our Peppercorn Fish Fillet, our Peppercorn Steak and Peppercorn Sweet Chicken. The signature meals are illustrated below all of which are served with delightful sauces tailored to leave a sensational taste from each bite

At peppercorn we provide self catering facilities for picnicking guests who wish to use our facilities to make their own meals.

Bush Bar:

The resort has two bars operating; there is one by the swimming pool, and one in the middle of a small forest, which we call "Bush Bar", all of which offer beverages of all types catering to a wide range of cliental.
