Flamingo Hill Camp Game Drives

Nothing beats the rewarding experience of a game drive within the park. Entitled 'the greatest bird spectacle on earth' thanks to the millions of fuchsia-pink flamingo that flock to feed on the teeming algae of its alkaline waters, the pink-frosted shores and sky-mirrored waters of Lake Nakuru yield some of the most evocatively beautiful photo-images in Africa.

Small in size, but high in wildlife, this park makes the ideal day trip, en route to other destinations and abounds in picturesque lookouts and picnic spots. As Kenya's first and largest rhino sanctuary, sightings of both black and white rhino are almost guaranteed, while plentiful waterbuck, warthog, zebra, gazelle and buffalo graze the shoreline.

Echoing to the haunting cries of the numerous fish eagles, this is also the park in which you have the best chance of seeing a leopard.

Wildlife highlights: lion, black and white rhino, waterbuck, hippo, leopard, impala, gazelle, hyena, wild cat, golden cat, hyrax, colobus monkey, and Rothschild's giraffe. Birds: 1.5 million flamingos and 450 other recorded species.
