

Camp David Guest House & Camping Resort is located in an ideal location for those seeking high-altitude training exercises and sessions up and down the Dunder hills bordering the Aberdare ranges. Camp David Guest House & Camping Resort is a low-budget facility located along the Nakuru-Dunder Road, about 15 Kilometers from Nakuru town in Kenya.

It takes about two and a half hours drive from Nairobi, Kenya's capital city.

Camp David Guest House & Camping Resort offers a good space for camping and nice rooms for guests who prefer to stay in our guest house. The surrounding environment is cool and quiet for clients who have a liking for adventure and constant travel.

Lake Nakuru National Park, which is home to millions of flamingos and the "big five" game animals, Menengai Crater, Lake Baringo, Lake Bogoria, Masai Mara Game Reserve (scene of the wild-beest migration), Mount Kenya, Amboseli and the Kenyan Coast are easily accessible from Nakuru town.

Facilities at **Camp David Guest House & Camping Resort** include a self-catering kitchen with gas cookers and the latest kitchen equipment, beautiful living room surrounded with flags of many nations in the world, spacious camping site and a volley-ball ground.

Clean water, hot-water, wash-rooms, washing machine for clothes, a big flat-screen television connected to five hundred and twenty two (522) TV stations world-wide and a music library including any type of music for different tastes.

Local meals are available on request. Nearby attractions include the Great Rift Valley, Menengai Crater, visit to local farms and villages and interaction with the local community. Athletes prepare their own food and only pay for accommodation. Individual and group training is easily organized.
