

Pabari's paradise is situated in the quiet Milimani suburbs only five minutes walk away from the lakeshore and five minutes drive to the Yatch club. With a choice of twelve fully furnished and serviced apartments (including internet) all tucked away in one of the best gardens in western Kenya, and a swimming pool for your leisure, there is little reason to leave the compound. The compound is owned by the Pabaris and its been home for us for the past seven years.

The estate is situated close to the main road, with easy excess to public transport. It also has an elegant and exercise friendly swimming pool 17M X 6M surrounded by exotic plants for your private swimming leisure.

Our Homes:

The Ground Floor is occupied by the Pabari Family where we are always available for assistance. The first floor has three bedrooms with a large living room and two bathrooms and kitchen all fully equipped. www.crocodileracers.com

The top floor has two bedrooms with a spacious living room facing the lake with a direct view of the famous kisumu sunset over lake Victoria.

Our adjoining apartment has its own unique character and certainly private through the front access being a small bridge crossing the lilly pond, A two floor apartment with the bedroom upstairs and kitchen and lounge downstairs.

A further one bedroom apartment with kitchen and small living room is nestled on the back side of the compound.

Last but not least is our little treasure house on the far corner of the compound with three bedrooms, a large living room and office. And just above with external access on a spiral staircase are two self contained one bedroom apartments with living room and kitchen.

As we said, you are spoilt for choice and there is something for everyone from every part of the world.
