

Dream House Hotel Kisumu is a premier facility set in a the quiet upmarket Milimani suburb, and provides you with executive suites per night that include an elaborate and continental breakfast. Dream House is modern, secure, and convenient for the business traveller as it is only a 10 minutes' drive from Kisumu CBD.

Facilities & Security

All our rooms have 24hr wireless internet connection, free of charge. Other facilities include, a guest bar, hot instant showers and DSTV TV. We are conveniently located in a security controlled cul-de-sac, the premises are protected by alarm controlled electric fencing and we have our in house security guards at night to ensure your safety.

Tours & Transfers

We work with Crocodile Safaris Adventures Ltd, a company that has a team of highly qualified & competent staff with great and divergent wealth of experience in management and operations, which combines to give our clients expected satisfaction from planning on the table to executing the plan in the wilderness.
