

Welcome to **Alkesh's Cottages and Apartments**. The place for relaxed mid to long-term housing in Kisumu. Offering around the clock security on an access limited compound, we combine resident safety with the freedom you need to work, study, or to define your own personal adventure.

Nestled in Kisumu's Milimani neighbourhood, we are just a short tuk-tuk, boda-boda, or piki-piki ride from local markets, restaurants, and "watering holes". Nearby environmental and cultural offerings include: Kisumu's enjoyable Impala Sanctuary, sailing and water sports on Lake Victoria with the Kisumu Yacht Club, a quaint Natural History Museum, and Kenya's largest outdoor market - Kibuye. Of course there is no need to just stick to town. Kisumu, as the economic and transportation hub of Nyanza Province, connects across Kenya with every manner of transportation option. Even Uganda is just a 2-hour bus ride away![www.crocodileracers.com](http://www.crocodileracers.com)

**Alkesh cottages and Apartments** has 3-bedroom cottages (two units) and 2-bedroom apartments (six units) with the possibility of individual rental or sharing, if available. Contact us for rates and availability. One week minimum stay required.

The **Luxurious Alkesh Cottages and Apartments** are owned and managed by Alkesh himself, who lives on the compound. Staying at
