

**Jannataan Hotel** is located at the centre of Shella village within easy reach of shopping places, just about 2 minutes walk away from the fabulous beach and the famous Peponi Hotel. The Hotel consists of four buildings surrounding a courtyard with a spacious swimming pool. The main house has eight bedrooms. Triple, double, twins and singles as well as big terraces for guests to relax or eat their meals. There is also a shared rooftop with cushioned barazas and day beds. Each floor has its own outside dining area. Guests can either choose to eat on their respective floors, on the shared terrace or on the ground floor around the swimming pool area.

The other houses are smaller and each have three or four rooms, doubles and singles. We will make sure that you get the best available room at the time of your booking. [www.crocodileracers.com](http://www.crocodileracers.com)

All the rooms in the hotel are en-suite and have fans, mosquito nets and hot showers. In the event of power failure, the hotel has its own power generator.

There is also an internal restaurant for hotel guests only and our qualified chef can prepare all sorts of delicious food. For typical Swahili food, one can arrange that with Ali Samosas who works closely with the hotel staff.

The hotel is owned by a local Muslim family and therefore does not serve alcohol.
