

Kizingoni Beachfront Houses are situated on an un-spoilt part of Lamu, close to the southernmost tip of Lamu Island, stretching across 24 acres of spectacular golden beachfront.

Kizingoni Beach is recognized for its tropical weather, warm safe seas, friendly people and luxurious accommodation. This jewel of a property is the ideal venue for active and relaxed beach holidays whether you are a couple or a family, a group of friends or a large wedding party.

Kizingoni Beach is a collection of seven luxurious, fully furnished, privately owned, beachfront houses. Each house is exquisitely designed and has either four or five spacious rooms with large verandas to relax.

All the houses have a private pool and come with a fully equipped boat and water sports equipment. Each house is a perfect place in which to entertain in style or to simply relax with friends and family.

The friendly, experienced staff will help you plan your days while you're cheerful and obliging house staff will invisibly make your holiday a joy. Beach barbeques, picnics and dune sundowners are organized effortlessly, as and when you decide.

Your cook will work around your tastes and timetable to provide fresh seafood, while your boat captain is available to take you anywhere you choose during daylight hours: out water skiing or fishing; to Lamu for culture; Shela for shopping; Manda Toto for snorkeling or to the mainland for a picnic or wildlife safari.
