

Che Shale Malindi Kenya style is very unique with bandas and restaurant built with renewable local materials such as Casuarina trees, palm trees, dune palms, coconut fiber, mango wood and other local woods. Furniture, fittings and accessories have been carefully crafted and designed to give the natural setting a slightly contemporary feel.

Che Shale is the ideal place for a quiet, natural and stylish holiday. This is the kind of place that invites you to perfect the art of lounging and relaxing. Che Shale is known for being the first and best kite-surf spot in East Africa. www.crocodileracers.com

Accommodation & Room Types

Che Shale Banda x 7

Includes unique furniture carved out of blocks of mango and cedar wood, large lamps made out of palm fiber, private verandas with daybeds, open sky, outdoor shower and a constant ocean breeze that flows through out. Che shale has 5 one-bedroom bandas and 2 two bedroom bandas.

Deluxe Bandas x 2

An ideal choice to experience the more luxurious side of Che Shale, the recently built Deluxe Bandas offer the same Che Shale natural style, but with more comfort and amenities. Built on stilts to let through the cool breeze, the Deluxe banda features a king size bed, a private veranda with two sofas, a spacious bathroom and sea views.

Kajama Banda x 3

They are cheaper and more basic. Includes one double bed with a mosquito net, a mirror, a large lockable box and a covered veranda with a table and two chairs. These bandas are only steps away from the beach.
