

Entim Mara Camp is located at the prime site within the world famous Masai Mara National Reserve, close to where the Mara and Talek rivers converge, only 10 minutes from the main Wildebeest crossings during the migration.

The camp's purpose is to let nothing stand in your way in re-kindling your bonds with nature, providing a unique safari experience. Entim Mara Camp is eco-friendly and small, with only seven, tastefully but differently furnished, well-equipped tents. Entim Mara Camp decor aims to enhance the surrounding environment. All tents are well-placed, and en-suite with flush-toilets and hot showers.

There is a cozy lounge area with a small library, separate bar and dining area, which is open-fronted allowing guests the unmatched experience of eating meals while watching the animals move to and from the river to drink and forage for their food.

Entim Mara Camp is a semi-permanent camp, designed to give guests the feel that we are part of the landscape, although we offer real luxury, unlike many mobile camps in the Mara.

Entim Mara Camp does not have a swimming pool or paved paths because the experience at Entim is not your average hotel or lodge experience: it's about being right in the hub of one of the most famous wildlife reserves in the world.
