

Mara Sentrim Camp stands within the Masai Mara National Reserve, 3 km from the Sekenani Gate. Featuring just 10 tents, which are widely spread beneath the acacia trees, it also offers a reception area, lounge, dining room, bar, and a swimming pool with sundeck and Jacuzzi. World renowned for the breathtaking spectacle of 'the greatest wildlife show on earth', the awe inspiring annual migration of the wildebeest, the Mara is Kenya's most visited protected area. w

Technically an extension of Tanzania's renowned Serengeti National Park, the Mara constitutes only 4% of the entire Serengeti ecosystem but its rolling grasslands, meandering rivers and towering escarpments offer one of the world's most rewarding and evocative wildlife arenas. w
