The Masai Mara Game Reserve is a true 'Out of Africa' safari destination and is mostly made up of open plains, baked golden by the African sun. And whilst the actual size of the reserve means that it is nowhere near to being one of the largest in Africa, the sheer density of game and birdlife makes this an exciting and rewarding safari destination, for first-timers or for returning safari enthusiast

Mara Ngenche Safari Camp dining and lounge area reflects the ambience of a tented camp, but provides the comfort and protection of a permanent building. The open-sided design affords a unique, magical view into the river to a pool of hippos and crocodiles.

Enjoy an al-fresco breakfast or wind down with a glass of wine at the camp fire as you listen to sounds of all kinds of wild animals. Dining here is also a feast for the senses bringing international and local flavors together under the watch of carefully trained and attentive staff.

Mara Ngenche Safari Camp 6 guest tents are all en-suite, decorated with an amazing fusion of modern African decor. Each tent is partially enclosed in its own boma and has a 4 poster king-size bed with views on to the Mara River, and is equipped with a large bath tub and outside shower.

Mara Ngenche Safari Camp is unfenced and is designed to allow the movement of animals through the ground while offering an elegant yet relaxed atmosphere for experiencing the full adventure of the African bush.
