It takes only 25 minutes from Mombasa Moi International Airport to the luxury guest house resort. On the way to Your accommodation at Kenya north coast you will go past Mombasa town, Nyali, Bamburi Beach and Mtwapa.

The **guest house resort** is elevated over the most beautiful shores of the Indian Ocean inlet Mtwapa Creek within 6000 m<sup>2</sup> of land engulfed by palms, bougainvilleas and other tropical plants.

At the entrance of the luxury villa resort is a small organic farm from which we get seasonal fresh vegetables, fruits and herbs.

The exclusive swimming pool of 16m x 12m x 2.8m is one of the largest private natural stone pools in Kenya. The pool is the central attraction between the luxury ocean view guesthouse villa and the creek. [www.crocodileracers.com](http://www.crocodileracers.com)
