

Xanadu Beach Villa looks down upon the white sands of the north coast of Kenya, a wide expanse of the Indian Ocean, and an offshore reef.

The sea and the swimming pool are never more than a short distance away.

Rooms are serviced daily. Laundry and some other services are available on request for a fee.

Xanadu is great for families and groups of friends. It is a friendly, homely kind of place. It is a place you will love and that will provide the stress free relaxation that we all enjoy.

Accommodation & Room Types

It has two bungalows and a maisonette built to please even the most discerning guests.

The bungalow hosts a double bedroom and a single bedroom unit, which can be combined into a single three bedroom unit.

The maisonette provides two spacious double bedroom units.

Each unit is exquisitely furnished with all conveniences that guests may require including air conditioning and a television and digital satellite television service. www.crocodileracers.com

Additionally, all units have a double sofa bed, allowing accommodation for 2 additional guests.

Apartments are self catering with a fully furnished kitchen and living area.

Dining & Staff

Xanadu beach Villa offers self catering facilities by providing a furnished kitchen with your apartment. There are also two outdoor barbeque grills provided.

Guests can also dine out at one of the nearby places like Royal Reserve, Maridadi or Kingfisher Restaurant.
