

Mombasa Serena Beach Hotel is on Shanzu Beach, the most northerly portion of the coast between Mombasa and Mtwapa Creek, the hotel looks out over the waters of the Mombasa Marine National Park, a 200-square kilometers National Marine Reserve.

Fringed by white beaches, and shaded by coconut palms, the silver ribbon of the Swahili coastline offers the ultimate tropical paradise. Bright white against the blue sky, set in extensive tropical gardens, the architecture of the Serena Beach Hotel and Spa replicates the winding lanes and colourful market places of a traditional 13th century Swahili town. At its heart lies the coral-built 'Fortress of Tranquillity' of the exquisite 'Maisha' Mind, Body and Spirit Spa
