

Plaza Beach Hotel is a small, private, intimate, family owned and run hotel, located on the quieter stretch of Bamburi Beach, away from the larger busy resorts with the masses of people that go there. We are a little peaceful haven on the nicest part of this lively beach.

Plaza Beach Hotel has 88 rooms both twin and double, with either pool or sea view. Each room is air-conditioned with whisper quiet split unit air-conditioners. Each room has a balcony, an en suite bathroom with a shaver socket, and an in-room safe.

All rooms have hairdryers and televisions. The rooms are large and the interiors are designed by a renowned local interior designer, giving the guest a boutique hotel feel.

Plaza Beach Hotel is situated on Bamburi Beach along Mombasa's North Coast. The hotel is a 30 minute drive from Moi International Airport and just 20 minutes from the culturally rich town of Mombasa. Because of its location, guests also have the choice of numerous attractions and activities conveniently located in the vicinity:

Plaza Beach Hotel is literally a 7 minute glass bottomed boat ride to the amazing national marine park, located at the nearby coral reef. The fish and aquatic life are truly spectacular, and the colors dazzling. Try your hand at snorkeling - it's a great experience.
