

**Baobab villa** is situated 25 kilometers from Moi International Airport, South Coast of Kenya, Diani beach and 300 Metres from the beach.

**Baobab villa** is submerged in 12.000 square metres of tropical garden overflowing with plants and the visitors gaze is captured by the five gigantic two hundred year old Baobabs towering over a bloom of Flamboyant Trees, Hibiscus, Red Ginger and Potrea. The Coconut Palms with their great makuti up to six metres in length stand out everywhere, while extraordinarily large and variegated Potos wind around the trunks of the trees and Baobabs. Baobab villa faces one of the five bicentenary baobabs which adorn Shambani garden. The Villa is an ideal destination for a family looking a place of absolute serene and privacy.

The ground floor contains the sitting room which opens onto the garden through four archways, giving leading you into the beautiful tropical garden. There is also the Kitchen, two bedrooms with private toilet, store and the living room with a table for twelve guests.

The first floor has the third bedroom, a bathroom and a second vast indoor sitting room, terrace with veranda and outdoor sitting room.
