

Baobab Beach Resort Mombasa formally known as Robinson club hotel was resort was renovated and fully refurbished in 2005. It is located on Kenya's famous Diani Beach on the south coast, a mere 38 kilometers or an hour's scenic drive from the bustling harbour city of Mombasa. This very spacious resort has been extensively renovated and is today Kenya's leading "all inclusive" hotel. Nestling majestically on top of a coral cliff with breathtaking panoramic views and blooming vegetation extending into large tropical gardens dropping onto the white, sandy shores of the Indian Ocean.

Baobab Beach Resort was built in 1974; this is one of the oldest hotels on the beach. It can accommodate 300 people. The clientele is predominantly German, reservations and bookings are made with us. The hotel has a magnificent site high on a rocky promontory, well-treed, and with views down over the ocean. There are some nice touches-a waterfall by the lobby, interesting Lamu furniture, dining tables next to big open windows with sea views. In keeping with the surroundings the Baobab Beach Resort combines an attractive Arabic and Swahili style with 92 sea front spacious airy rooms and 96 bungalows. It offers 10 interconnecting family rooms. All rooms are en-suite and have their own private verandah or balcony and equipped with an electronic safe, mini fridge and hair dryer.
