

Forest Dream Cottages is a well designed, newly completed luxury, self contained cottage and villa complex set in a peaceful, coastal forest setting. It is sited over a sweet underwater river in Diani, and has been carefully landscaped to retain the huge, shady indigenous trees. House staff is highly trained and friendly. They will cater to your every need.

Forest Dream Cottages complex also has a huge pool and other facilities such as a tennis court, sand volleyball court and flat roads made of powdered coral making an early morning jog delightful. Each cottage at Forest Dream and villa is unique with varied designs to cater for different sizes of families and groups.

Forest Dream houses are equipped with satellite TV, overhead fans and well appointed kitchens featuring every modern facility. There are seven cottages which can house groups of 4, 10 or 12 persons. They have six suites in total, the Leopard Suite is a three bedroom villa, the Mongoose Suite is the largest and contains six bed rooms, the Colobus Suite, is a two bedroom cottage, named after a local inhabitant- the colobus monkey. The Fish Eagle suite has five bedrooms, while the Bush Baby Suite has two bedrooms and can accommodate up to four people. Finally, the Sultan Suite was built with an Arabic design and can house up to nine people.

Stretch out at the tennis court or on the beach sand volleyball court. Ample flat roads made of powdered coral make for a delightful early morning jog. One can also shoot pool next to the pond that is home to numerous, colored Japanese Koi fish. A visit to the Elephant Sanctuary in the nearby Shimba Hills Game Reserve gives you the opportunity to view other game as well and experience a true taste of Africa.
