

Mpeta Guest House is a distinctive, cosy and luxurious family and business travel self catering apartments. Located in the serene, lush green suburb of Nyeri town, each apartment enjoys a vantage view of the rugged snow capped peaks of Mt.Kenya and the surrounding farmlands.

We have ample parking exclusively secured with radio alarms, G4s surveillance and electric fence. The apartments are also connected to wireless internet, television and intercom.

Mpeta's proximity to Nyeri Central Business District offers visitors real value for money. Visitors can access critical services and amenities of the mountain town for instance, a round of golf in the 9 hole golf course, a game drive in four National Parks, a real taste of tea or coffee in the town's cafes or a pint in the popular entertainment joints.

Shuttle and taxi services to and from town can be organized on short notice as well as health and emergency services.

Accommodation

Mpeta Guest House consist of artistically designed and well equipped apartments with one and two bedroom units, fully furnished with a modern kitchenette, large living room and terrace that ensures a combination of utmost comfort and style.
