

Leleshwa Getaway Guest House Nairobi Kenya is a small intimate getaway, perched on a cliff overlooking Nairobi national park offering guests all the rewards of what is undoubtedly one of the best and stylish locations in the metropolis. We cater for personalized groups from families and honeymooners alike. It's one idly landscape dotted with acacia trees and rocky river gorges. The house nestles amongst a grove of acacia trees, affording unrivaled views of Nairobi national park.

Situated on the South East of the Nairobi City, this magnificent house is built on a gorge; the Embakasi gorge overlooking Nairobi National Park and Sirore sanctuary. The gorge is part of the Great Rift Valley and hosts a seasonal river that is the life line for a great fauna and flora. The natural beauty of the riverine offers a wonderful panorama valley Below. An Old Buffalo and Five 'resident' rock hyraxes welcome visitors to this set up and will accompany you during the stunning sunsets and sunrise moments on the wooden deck- this is not to be missed.www.crocodileracers.com
