

Bethany Garden House Ridgeways Nairobi Kenya is a cosy house of rest and relaxation located about 7 km north of the outskirts of Nairobi. With tastefully designed and stylish rooms, the area is surrounded by the Karura Forest; a quiet and leafy residential area offering a cool, original and natural atmosphere.

Our eight rooms are stylishly furnished and include singles, doubles, twins and family rooms. There is a Master En-suite room adding a romantic luxury touch to your holiday. Bethany Garden House is tastefully designed for a family setting; there is a professional chef and well-equipped kitchen. All our visitors are offered the best in hospitality and dietary needs are professionally addressed. The building is stylish in design with a wide view of the surroundings. The lawn is beautifully maintained to complement the atmosphere and aura of relaxation. Intimacy, charm, relaxation and customized services are just a few of the qualities offered by this lovely bed and breakfast. www.crocodileracers.com
