

Osoita Lodge a Masai word meaning "Stones" is Located in Masai land adjacent to the Nairobi National Park. The lodge borders a seasonal river " Kandisi" in tranquil, green, lush environment where you can spot a variety of birds and monkeys in their natural habitat. The Lodge is built with a modern touch of makuti and nicely styled stones with authentic traditional setup art decorations that make intriguing use of traditional materials from the Masai people also makes the lodge a preferred choice.
