

Masai Lodge is in Silole Sanctuary next to Nairobi National Park in the outskirts of Nairobi in Kajiado District. The lodge blends well into the environment of the narrow river gorge and creating an atmosphere of real African wilderness. Ideal for team building weekends, conferences or just to get out of the city for a meal. Masai Lodge is located in a quiet and peaceful natural environment far from the city just an hour's drive away.

Accommodation & Room Types

The lodge has 35 self contained modern cottages built in the traditional masai manyatta style. www.crocodileracers.com

Luxurious bedrooms, stylish bathrooms, and spacious seating areas create a comfortable relaxing environment where you will feel totally at home.

All the rooms boast views of Mbagathi River and the Nairobi National Park and they are all furnished to give maximum comfort with spacious, individually designed interiors and private terraces.
