

Jacaranda Hotel Nairobi Kenya is located in the tranquil surroundings of Nairobi's Westlands suburbs, within 4 Kilometers or a 10 minutes drive from the city center away from the hustle & bustle of the Central Business District. Surrounded by 4 acres of landscaped gardens, this is a well-established and popular hotel with a friendly atmosphere. There's a lovely solar heated swimming pool with a large deck to laze by and a choice of 4 restaurants and bars.

Adjacent to the large Sarit shopping mall with Masai Market, banks and night life, a courtesy bus transfers guests several times a day to and from the city centre for more shopping and sightseeing. You will love the large buffet breakfast before you head out on safari - make sure you try the chef's pancakes!

Facilities:

4 restaurants and bars: The Safari Cafe (buffet and a la carte), The Safari Bar, The Gazebo Banda and The Pizza Garden across the road. New heated swimming pool, Jacaranda gym and spa. Laundry service (express and normal), babysitting (local charge), gift shop and hair salon.
