

Swara Safari Hotel is nestled within a quiet area in Karen South about 10km from the Nairobi Central Business District, along Magadi road. The architecture and décor directly complements the natural beauty of the site, which is directly opposite the southern entrance to the Nairobi national park.

Visitors awake to the sound of chirping tropical birds, with service from polite and courteous staff for those who want to experience the out of city ambiance yet are still within the city limits, Swara Safari Hotel offers the best accommodation. www.crocodileracers.com
