

Lamu House Watamu Beach Kenya is a four bedroom house set over three floors in a walled garden with large swimming pool. A recent addition is the fantastic master bedroom suite at the top of the house. Access to the beach is via the close public beach access road alongside Turtle Bay Hotel.

Accommodation & Room Types

The property includes:

One large master bedroom suite with bath and shower and private balcony overlooking the garden and towards the sea. Two double bedrooms with overhead fans, mosquito nets, air-conditioning and ensuite shower rooms.

One twin room with overhead fan, mosquito net and air-conditioning. A separate bathroom serves this bedroom. Downstairs the dining room leads out onto the sun terrace which overlooks the swimming pool.

On the top floor is a TV room with satellite television. This leads out to the makuti covered bar area. The house is fully staffed including excellent cook. There is a backup generator and security is provided by a night askari and G4S security buttons. www.crocodileracers.com
