

Bridge House Kilifi Kenya is an Old Arabic style house situated on the South-side of Kilifi Creek. This large family house has recently been refurbished to a high standard and now offers 6 bedrooms which all have ensuite bathrooms and are airconditioned. Bridge House offers amazing west-facing views over Kilifi Creek towards the Kilifi Boartyard from its elevated position. To rent this fabulous coast house you will enjoy a very relaxing holiday as the house has excellent staff really comfortable with ample sofas and chairs and the swimming pool comes right into the veranda so you don't have to walk very far for a swim. Bridge House offers plenty of eating areas one of which is by the pool under a shady creeper-clad patio area. There are also sun beds and day beds on which to relax during the heat of the day. Some of the bedrooms have twin beds and one has a bunk bed so Bridge House is an ideal holiday house for families with children. www.crocodileracers.com
