

Shawabu Kilifi Creek Mombasa Kenya is a spacious, cool and secure double-story house situated on the South-Eastern corner of Kilifi Creek. This house has five double bedrooms, one en suite and all with wash basins in the rooms. There are two further bathrooms, and an outside shower. The house has a well equipped kitchen with two fridges, washing machine and microwave. Situated in a large plot, graced with a number of large mango and baobab trees that ensure the house remains cool. There is a good sized swimming pool in the garden, which is walled with a gate that young children shouldn't be able to open. www.rocodileracers.com
