

Heather's Garden set on Mida Creek in the famous Watamu beach area, is designed to offer a perfect getaway and privacy from the hustle and bustles of daily life.

The five bedroom house set over three floors with a large swimming pool overlooking the mangrove forest and Mida Creek is a place of tranquility and privacy where families and friends can relax and spend time together. The top floor is covered in a large, open makuti roof with large dining table and cement seating area, both taking advantage of the stunning sunset views across the creek.

Accommodation:

The house has 4 double bedrooms and 1 children's room with twin beds, with overhead fans, mosquito nets, air-conditioning and en-suite bathrooms.

Four of the bedrooms host a luxury veranda where one can enjoy spectacular views watching the birds or monkeys in the mangroves. www.crocodileracers.com

The kitchen is fully equipped with fridge/freezer, cooker, all crockery and utensils
